Telepathology | Made Routine

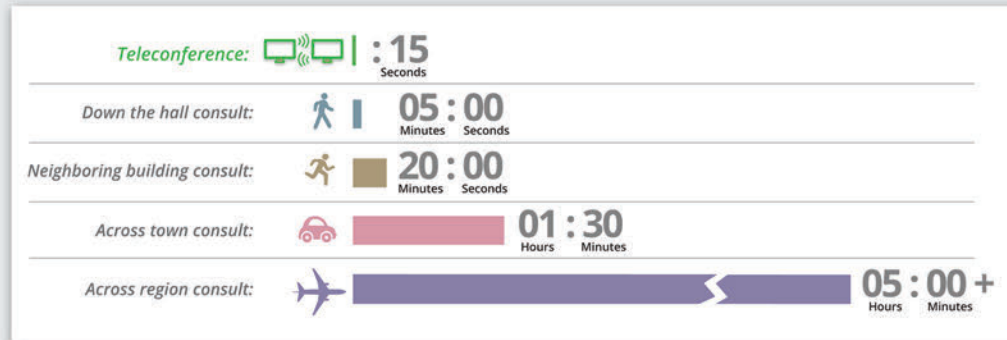

PathStation™ | The Smart Choice

Routine Pathology Grossing Examination

Telepathology vs. Physical Travel

Routine Consults

PathSuite ensures a rich collaborative consult allowing colleagues to easily clarify orientation, discuss dissection and verify margins.

Solutions for Grossing

- Routine Gross Dissection
- Frozen Section Consults
- Autopsy and ME Documentation
- Teaching and Training

Easy to Implement

SPOT Imaging Solutions has developed turnkey solutions with configuration options to support your facility's unique hardware and software infrastructure. The result is quick installation and optimized performance.

Professional Documentation

Professional documentation is the foundation of quality assurance and process improvement as well as the basis of how you are perceived by your patients, referring physicians and legal establishment.
